

## E- COMMERCE & EXTERNAL MARKETING

*““Leveraging E-Commerce Strategies and External Marketing to Drive Business Growth and Consumer Engagement””*

### Schedule

Date	Venue	Fees
17 - 19 Feb 2026	Doha, Qatar	USD 2495 per delegate

### Introduction

E-commerce has transformed the global marketplace, offering businesses new opportunities to reach customers, expand their market share, and build stronger customer relationships. As a result, effective marketing strategies tailored to the digital world are more important than ever for achieving business growth and competitive advantage. This course is designed to equip professionals with the tools and strategies needed to succeed in e-commerce and external marketing.

Through a mix of theory, case studies, and hands-on workshops, participants will learn how to develop an effective e-commerce strategy, optimize digital marketing campaigns, and measure the success of marketing efforts. The course will also cover the latest trends in social media, search engine optimization (SEO), and content marketing, providing participants with practical skills they can apply immediately to boost their organization’s online presence.

### Objectives

**By the end of this course, participants will be able to:**

- Understand the key components of an e-commerce business model and digital sales strategy
- Develop and execute effective digital marketing campaigns across multiple platforms
- Leverage social media, SEO, email marketing, and content marketing for customer acquisition and retention
- Analyze marketing performance using analytics tools and KPIs
- Integrate external marketing strategies with e-commerce operations to drive business growth
- Build a strong online brand presence and optimize customer experience

## Why Attend

- Learn the latest e-commerce trends and external marketing strategies to boost your business
- Gain practical knowledge on using digital marketing channels such as SEO, social media, and email campaigns
- Understand how to create and manage e-commerce websites that attract, engage, and convert customers
- Master the art of customer segmentation and targeting in the digital age
- Use data-driven insights to continuously improve marketing efforts and optimize ROI

## Target Audience

### This program is designed for:

- E-commerce managers, digital marketers, and business owners
- Marketing managers and teams responsible for online sales and digital marketing
- Entrepreneurs looking to start or grow their online business
- Marketing professionals seeking to enhance their skills in digital marketing and e-commerce
- Anyone involved in driving business growth through digital marketing and e-commerce strategies

## Individual Benefits

### Key competencies that will be developed include:

- Understanding the e-commerce ecosystem and how to optimize online sales channels
- Proficiency in leveraging SEO, social media, and content marketing to drive online traffic
- Skills in creating and executing e-commerce marketing strategies that align with business objectives
- Knowledge of how to measure and improve the success of digital marketing campaigns
- Enhanced ability to understand customer behavior and tailor marketing efforts for better engagement

## Organizational Benefits

### Upon completing the training course, participants will demonstrate:

- Increased sales and market share through optimized e-commerce and marketing strategies
- More effective digital marketing campaigns with measurable results
- Better understanding of customer needs and preferences, leading to improved customer satisfaction
- Enhanced online presence and brand recognition in the competitive digital marketplace
- Improved alignment between marketing and business operations to drive growth

## Instructional Methodology

### The course follows a blended learning approach combining theory with practice:

- Strategy Briefings - Key e-commerce strategies and external marketing trends
- Case Studies - Real-world examples of successful e-commerce and digital marketing campaigns
- Workshops - Hands-on exercises for creating digital marketing strategies, SEO, and social media campaigns
- Peer Exchange - Group discussions and feedback on participants' e-commerce and marketing strategies
- Tools - E-commerce platforms, marketing analytics tools, SEO techniques, and digital marketing templates
