

LEADERSHIP DEVELOPMENT

“Building Confident, Capable, and Future-Ready Leaders to Drive Organizational Success”

Schedule

Date	Venue	Fees
26 - 27 Feb 2026	Kuala Lumpur, Malaysia	USD 1995 per delegate

Introduction

In an era marked by rapid change, uncertainty, and increasing complexity, organizations need leaders who are agile, emotionally intelligent, and strategically focused. Leadership is no longer confined to senior executives—every leader at every level must possess the mindset and tools to inspire teams, manage performance, and create value.

This intensive two-day course equips current and aspiring leaders with essential leadership capabilities. It emphasizes self-awareness, effective communication, decision-making, and people management, while providing practical strategies to lead with confidence and purpose in today’s dynamic workplace.

Objectives

By the end of this course, participants will be able to:

- Understand the core competencies and expectations of effective leaders
- Lead with emotional intelligence and build trusted relationships
- Make informed, ethical, and timely decisions under pressure
- Coach, develop, and inspire high-performing teams
- Create alignment between individual, team, and organizational goals

Why Attend

- Develop your personal leadership style and strategic presence
- Build essential soft skills in communication, conflict resolution, and influence
- Gain tools to navigate change, motivate others, and build resilient teams
- Learn to lead across functions, generations, and cultural boundaries
- Translate vision into action through practical leadership practices

Target Audience

This program is designed for:

- New and emerging leaders
- Mid-level managers and team supervisors
- Project leads and department heads
- Professionals preparing for a leadership role
- Anyone seeking to sharpen their leadership capabilities

Individual Benefits

Key competencies that will be developed include:

- Self-leadership and emotional intelligence
- Communication, influence, and trust-building
- Decision-making, delegation, and performance management
- Coaching, mentoring, and motivation techniques
- Adaptability and leadership resilience

Organizational Benefits

Upon completing the training course, participants will demonstrate:

- Stronger leadership pipeline with future-ready capabilities
- Greater employee engagement and productivity through improved leadership
- Consistent and aligned leadership behaviors across teams
- More effective management of change, conflict, and performance
- Stronger team collaboration, trust, and innovation culture

Instructional Methodology

The course follows a blended learning approach combining theory with practice:

- Strategy Briefings - Key frameworks in leadership development, competencies, and models
- Case Studies - Leadership challenges from various industries and outcomes
- Workshops - Interactive simulations, decision-making labs, and coaching scenarios
- Peer Exchange - Discussion and group problem-solving with real leadership issues
- Tools - Leadership assessment templates, coaching plans, and action roadmaps
