

THE BUSINESS & RESULTS ACCELERATOR SYSTEM

“Accelerate Strategic Execution, Improve Focus & Maximize Organizational Performance”

Schedule

Date	Venue	Fees (Face-to-Face)
12 - 15 Oct 2026	Doha - Qatar	USD 2995 per delegate

► **Available delivery methods:** Face-to-Face & Online Training

Introduction

Organizations often struggle to turn strategy into results due to lack of alignment, poor execution discipline, and unclear performance metrics. The Business & Results Accelerator System bridges this gap by combining strategic focus, execution discipline, and leadership alignment to drive measurable performance outcomes.

This immersive 4-day training program provides a practical, step-by-step framework for accelerating business results through focused goal setting, prioritization, execution management, and real-time accountability. Participants will walk away with a clear roadmap for driving their business units toward sustained high performance.

Objectives

By the end of this course, participants will be able to:

- Align business goals with strategic priorities and team activities
- Identify and prioritize high-impact initiatives for results acceleration
- Establish performance tracking systems with clear accountability
- Use tools to manage execution discipline across departments
- Foster a culture of results ownership, speed, and strategic agility

Why Attend

- Learn a proven, structured system for delivering results faster
- Transform strategy from paper into action and accountability
- Improve cross-functional collaboration and strategic focus
- Gain powerful tools to track, adjust, and deliver business outcomes
- Strengthen your leadership impact through goal clarity and execution

Target Audience

This program is designed for:

- Business leaders and general managers
- Strategy, transformation, and performance executives
- Department heads, team leaders, and project owners
- Entrepreneurs and business development managers
- Anyone accountable for delivering organizational results

Individual Benefits

Key competencies that will be developed include:

- Strategic alignment and goal cascading
- Execution discipline and performance tracking
- Prioritization and time/resource focus
- Leadership accountability and cross-functional agility
- Results coaching and outcome-based thinking

Organizational Benefits

Upon completing the training course, participants will demonstrate:

- Faster implementation of strategic goals and key initiatives
- Improved alignment and accountability across departments
- Clear visibility of performance metrics and progress blockers
- Increased organizational agility and focus on what matters most
- A performance-driven culture with improved decision-making

Instructional Methodology

The course follows a blended learning approach combining theory with practice:

- Strategy Briefings - Execution frameworks, alignment models, and KPI systems
- Case Studies - Business transformations driven by execution excellence
- Workshops - Goal-setting, dashboard design, and initiative prioritization
- Peer Exchange - Role-based challenges and acceleration tactics
- Tools - Execution roadmaps, scorecard templates, and tracking dashboards

Course Outline

DETAILED 4-DAY COURSE OUTLINE

Training Hours: 7:30 AM – 3:30 PM **Daily Format:** 3–4 Learning Modules | Coffee breaks: 09:30 & 11:15 | Lunch Buffet: 01:00 – 02:00
