ADVANCED LEADERSHIP SKILLS FOR SENIOR EXECUTIVES

""Leading with Vision, Influence, and Strategic Impact""

Schedule

Date	Venue	Fees (Face-to-Face)
27 – 29 Oct 2026	Manama – Bahrain	USD 2495 per delegate

► **Available delivery methods:** Face-to-Face & Online Training

Introduction

In today's fast-paced, uncertain environment, senior executives are challenged to lead through transformation, inspire innovation, and align teams with strategic purpose. Leadership at this level requires more than operational expertise—it demands visionary thinking, emotional intelligence, and the ability to drive change across complex organizations.

This 3-day executive development program provides senior leaders with advanced leadership tools and frameworks to sharpen their influence, enhance executive presence, and foster a culture of high performance. Through expert facilitation, strategic simulations, and peer dialogue, participants will refine their leadership philosophy and strengthen their strategic execution capabilities.

Objectives

By the end of this course, participants will be able to:

- Lead with clarity of vision and strategic purpose
- Enhance executive presence and decision-making authority
- Drive organizational transformation and cultural alignment
- Influence stakeholders across functions, regions, and power structures
- Foster innovation, resilience, and accountability in leadership teams

Why Attend

- Refine your leadership style to match strategic organizational needs
- Develop deeper influence across senior leadership networks
- Strengthen your ability to lead change and transformation initiatives
- Balance innovation and risk in high-stakes decision-making
- Accelerate executive readiness and succession planning

Target Audience

This program is designed for:

- CXO-level leaders and senior executives
- Directors, VPs, and department heads
- Senior leaders preparing for enterprise-level roles
- High-potential executives involved in strategic initiatives
- Advisors and consultants working closely with top management

Individual Benefits

Key competencies that will be developed include:

- Strategic communication and influence
- Advanced decision-making under complexity
- Transformational leadership and emotional intelligence
- Stakeholder engagement and cross-functional alignment
- Leadership brand development and presence

Organizational Benefits

Upon completing the training course, participants will demonstrate:

- Improved alignment between leadership behavior and strategic goals
- Stronger executive decision-making across business units
- Accelerated change management and transformation outcomes
- Development of leadership pipeline and organizational resilience
- Enhanced leadership culture and cross-functional collaboration

Instructional Methodology

The course follows a blended learning approach combining theory with practice:

- Strategy Briefings – Leadership models, frameworks, and global insights
- Case Studies – Leadership challenges and C-suite decision-making
- Workshops – Role plays, strategic alignment exercises, and simulations
- Peer Exchange – Executive coaching-style group dialogues
- Tools – Leadership impact assessments, influence maps, and strategic planning templates
