

# CONTENT MARKETING, INBOUND MARKETING & DIGITAL MARKETING - SEO, SEM & SMM

*“Attract, Engage, and Convert with Data-Driven Digital Strategies”*

## Schedule

Date	Venue	Fees
21 - 23 Jul 2026	Doha, Qatar	USD 2495 per delegate
23 - 25 Sep 2026	Dubai, UAE	USD 2495 per delegate
03 - 05 Nov 2026	Kuwait	USD 2495 per delegate

## Introduction

In the digital era, content is not just king—it is the currency of engagement and trust. Effective content and inbound marketing, powered by SEO, SEM, and social media, are essential for brands seeking to attract audiences organically, convert prospects efficiently, and build long-term customer relationships.

This 3-day hands-on course delivers a complete toolkit for developing and executing integrated digital marketing strategies. Participants will learn to create engaging content, optimize visibility through SEO and SEM, leverage social media platforms, and measure performance using digital analytics.

## Objectives

By the end of this course, participants will be able to:

- Develop a full-funnel content and inbound marketing strategy
- Implement SEO techniques to improve organic search rankings
- Plan and execute effective paid campaigns using Google Ads (SEM)
- Use social media platforms strategically for engagement and brand visibility
- Measure and analyze digital campaign performance using key metrics

## Why Attend

- Drive more qualified traffic to your website and digital assets
- Convert visitors into leads and leads into customers using inbound funnels
- Optimize marketing spend across SEO, SEM, and SMM channels
- Enhance your digital presence and brand authority
- Gain hands-on experience with tools like Google Analytics, Ads, and SEMrush

## Target Audience

This program is designed for:

- Marketing and Communications Professionals
- Content Creators and Brand Managers
- Digital Marketing Specialists and Coordinators
- Entrepreneurs and Small Business Owners
- Anyone looking to strengthen their online marketing skills

## Individual Benefits

Key competencies that will be developed include:

- Content creation frameworks and editorial planning
- SEO and SEM campaign design and optimization
- Social media channel selection and content curation
- Inbound lead generation and email nurturing strategies
- Digital analytics and campaign performance evaluation

## Organizational Benefits

Upon completing the training course, participants will demonstrate:

- Stronger brand presence and audience engagement online
- Improved lead generation and customer acquisition ROI
- More consistent content messaging across digital platforms
- Better alignment between digital marketing efforts and sales goals
- Enhanced competitiveness in search and social environments

## Instructional Methodology

The course follows a blended learning approach combining theory with practice:

- Strategy Briefings - Core principles of content and digital marketing
- Case Studies - Examples of successful campaigns from global brands
- Workshops - Keyword research, ad creation, and content planning exercises
- Peer Exchange - Group discussions and content critique
- Tools - Templates for content calendars, SEO audits, and reporting dashboards

## Course Outline
