15 - 19 Nov 2026	Manama - Bahrain	USD 3495 per delegate

► **Available delivery methods:** Face-to-Face & Online Training

### Introduction

Supervisors serve as the critical link between management and frontline teams. Their ability to lead effectively, communicate clearly, and manage performance directly impacts productivity, morale, and operational success. As workplace dynamics evolve, so must the skills of those in supervisory roles.

The Certified Professional Supervisor (CPS) course is a comprehensive leadership development program designed to equip current and aspiring supervisors with practical tools and techniques for people management. This training blends modern leadership concepts with hands-on strategies to help supervisors manage teams confidently, resolve conflicts, and inspire high performance.

### Objectives

By the end of this course, participants will be able to:

- Apply key supervisory principles and leadership styles in real work scenarios
- Manage performance and deliver feedback with clarity and consistency
- Delegate tasks effectively and monitor progress for accountability
- Communicate assertively and resolve workplace conflicts professionally
- Motivate individuals and teams to achieve organizational objectives

## Why Attend

- Develop the critical interpersonal and leadership skills needed for supervisory success
- Boost your confidence in handling team challenges and difficult conversations
- Learn how to set expectations, follow up, and hold staff accountable
- Bridge the gap between operational execution and leadership responsibility
- Gain a respected certification that enhances career advancement opportunities

## Target Audience

This program is designed for:

- Newly appointed or soon-to-be supervisors
- Team leaders and shift leaders in operational environments
- Frontline managers in both office and field roles
- Experienced supervisors seeking to refresh or enhance their skills
- Technical professionals transitioning into supervisory responsibilities

## Individual Benefits

Key competencies that will be developed include:

- Leadership and team management fundamentals
- Performance coaching and feedback delivery
- Task prioritization, delegation, and follow-through
- Effective communication, active listening, and conflict resolution
- Time and stress management in supervisory roles

## Organizational Benefits

Upon completing the training course, participants will demonstrate:

- Improved team productivity through better supervision and motivation
- More consistent and fair performance management practices
- Reduced operational errors and enhanced workplace discipline
- Stronger team morale and reduced staff turnover
- A reliable pipeline of capable leaders ready for future advancement

## Instructional Methodology

The course follows a blended learning approach combining theory with practice:

- Strategy Briefings - Supervisor responsibilities, leadership styles, and role expectations
- Case Studies - Common supervisory challenges and practical resolutions
- Workshops - Situational role plays, delegation exercises, and coaching simulations
- Peer Exchange - Group discussions on shared workplace experiences
- Tools - Supervision checklists, performance templates, and feedback guides

## Course Outline

Detailed 5-Day Course Outline
