

STRATEGIC THINKING FOR LEADERS

"Unlock Your Leadership Potential with Strategic Insight"

Schedule

Date	Venue	Fees (Face-to-Face)
18 - 20 Aug 2026	Manama - Bahrain	USD 2495 per delegate

► Available delivery methods: Face-to-Face & Online Training

Introduction

This 3-day intensive training program is designed to enhance leadership skills through strategic thinking. Participants will learn how to analyze complex business environments, develop long-term strategies, and make decisions that drive organizational success. The course combines theory and practice to enable leaders to think critically, plan effectively, and execute strategies with confidence. Through interactive discussions, case studies, and exercises, participants will gain the tools to think strategically in dynamic business settings.

This course is ideal for leaders who wish to sharpen their strategic thinking and planning abilities, helping them navigate through today's ever-changing business landscape. Participants will leave the training with a renewed perspective on leadership and strategy and the skills to implement powerful strategies in their organizations.

Objectives

By the end of this course, participants will be able to:

- Understand the importance of strategic thinking and its role in leadership.
- Apply strategic frameworks and models to real-world business scenarios.
- Enhance decision-making skills by evaluating strategic options and trade-offs.
- Develop and implement strategies that align with organizational goals and market demands.

Why Attend

- Learn to approach business challenges with a strategic mindset.
- Develop the ability to think long-term and create actionable plans.
- Gain tools to make data-driven decisions that enhance business performance.
- Improve your leadership ability by fostering innovation and growth.
- Build confidence in your ability to lead strategic change in your organization.

Target Audience

This program is designed for:

- Senior managers and executives who want to develop their strategic thinking capabilities.
- Team leaders looking to enhance their leadership and decision-making skills.
- Professionals in leadership positions who wish to drive organizational success through strategy.
- Aspiring leaders seeking to cultivate strategic thinking for future roles.

Individual Benefits

Key competencies that will be developed include:

- Enhanced critical thinking and problem-solving abilities.
- Ability to make informed decisions based on strategic analysis.
- Strengthened leadership skills and strategic influence within an organization.
- Increased confidence in managing complex business situations.

Organizational Benefits

Upon completing the training course, participants will demonstrate:

- A strategic approach to leadership, aligned with the organization's long-term goals.
- Improved decision-making processes that drive business growth and innovation.
- Ability to implement and execute strategic initiatives that enhance performance.
- Enhanced organizational capability to adapt to changing market conditions.

Instructional Methodology

The course follows a blended learning approach combining theory with practice:

- Strategy Briefings - Introduction to strategic thinking models and frameworks.
- Case Studies - Real-world examples of successful strategic planning and execution.
- Workshops - Hands-on exercises to develop strategic plans for organizational challenges.
- Peer Exchange - Group discussions and exchange of experiences on strategic leadership.
- Tools - Templates for strategic planning, performance measurement, and scenario analysis.
