► **Available delivery methods:** In-House Training

Introduction

This intensive program equips senior professionals with advanced knowledge and practical tools to design, implement, and enhance governance, risk management, and compliance (GRC) frameworks. The course bridges the gap between strategy and operations, empowering participants to align risk and compliance efforts with corporate governance to ensure sustainability, regulatory integrity, and stakeholder confidence.

Objectives

By the end of this course, participants will be able to:

- Develop and align GRC strategies with corporate vision and regulatory expectations.
- Strengthen internal control systems and assurance frameworks.
- Analyze emerging risks and integrate dynamic risk management tools.
- Enhance board governance, audit effectiveness, and compliance performance.
- Lead enterprise-wide GRC integration using international best practices.

Why Attend

Modern organizations operate in complex, regulated, and high-risk environments. This course prepares you to lead with foresight and ensure that your organization not only survives but thrives—through strong governance structures, resilient risk practices, and compliant operations.

Target Audience

- Chief Risk Officers, Compliance Officers, and Governance Executives
- Audit Committee Members and Board Directors
- Senior Risk, Compliance, and Legal Professionals
- Internal Auditors and Strategic Planners
- Public and private sector executives involved in GRC oversight

Individual Benefits

- Master advanced GRC tools and global frameworks
- Build leadership capacity in enterprise-wide risk oversight
- Stay ahead of regulatory and stakeholder expectations
- Enhance decision-making through integrated GRC reporting

Organizational Benefits

- Improved risk resilience and ethical culture
- Reduced regulatory fines and reputational damage
- Enhanced board effectiveness and accountability
- Integrated GRC systems for strategic alignment and operational control

Instructional Methodology

- Expert-led lectures and real-world case analysis
- Group workshops and GRC framework development
- Interactive risk simulations and compliance audits
- Governance diagnostic assessments
- Strategic action planning and peer learning

Course Outline

DETAILED 5-DAY COURSE OUTLINE (Customizable) Training Hours: 07:30 AM – 03:30 PM Daily Format: 3–4 Modules | Coffee breaks: 09:30 & 11:15 | Lunch Buffet: 01:00 – 02:00

Day 1: Foundations of Integrated GRC
