

## PREPARING FOR THE IFE LEVEL 2 CERTIFICATE IN FIRE SCIENCE, OPERATIONS & SAFETY EXAM

*“Master the Fundamentals. Pass with Confidence. Be Recognized Internationally.”*

### Schedule

Venue	Fees
In-House	ASK FOR THE QUOTATION

### Introduction

This intensive 5-day training course is specifically designed to prepare candidates for the **IFE Level 2 Certificate in Fire Science, Operations & Safety**, issued by the **Institution of Fire Engineers (IFE), UK**. Aligned with the official IFE syllabus, the course covers all knowledge areas required for the exam, including fire behavior, fire service operations, safety protocols, communication, and legislation. The course includes real-world examples, exam-focused content, and multiple practice sessions to ensure each participant is fully prepared to succeed in the IFE examination.

### Objectives

By the end of this course, participants will be able to:

- Understand the core scientific principles of combustion and fire behavior.
- Explain fire protection methods and operational procedures.
- Demonstrate knowledge of firefighting equipment, vehicles, and PPE.
- Apply fireground safety and emergency response best practices.
- Understand fire service communication and teamwork fundamentals.
- Interpret the relevant legal and regulatory frameworks.
- Confidently attempt IFE Level 2 exam-style questions.

## Why Attend

The IFE Certificate is globally recognized as a foundational qualification for fire professionals. This course is ideal for those who wish to enhance their theoretical knowledge and practical understanding to gain IFE certification and career advancement within fire and emergency services.

## Target Audience

- Firefighters and Fire Service Officers
- Fire and Safety Supervisors
- Emergency Responders
- Fire Technicians and Inspectors
- Civil Defense Professionals
- New recruits preparing for international certifications
- Personnel seeking progression to IFE Level 3 and beyond

## Individual Benefits

- IFE exam readiness and confidence
- Improved knowledge of fire science and safety
- Global recognition and qualification pathway
- Enhanced career and promotion prospects
- Networking with fellow fire service professionals

## Organizational Benefits

- Skilled, internationally certified staff
- Demonstrated commitment to safety and fire professionalism
- Improved operational standards and compliance
- Increased capability for emergency response and risk management

## Instructional Methodology

- Instructor-led interactive classroom training
- Case studies and operational scenarios
- Concept drills and revision quizzes
- Daily progress evaluations
- Full-length IFE mock exam simulation
- Group discussions and exam strategy sessions

## Course Outline

### 5-DAY DETAILED COURSE OUTLINE (CUSTOMIZABLE)

**Training Hours:** 7:30 AM – 3:30 PM

**Daily Format:** 3–4 Learning Modules | Coffee Breaks: 09:30 & 11:15 | Lunch Buffet: 01:00 – 02:00

#### Day 1: Fire Science Fundamentals

**Module 1:** Introduction to IFE, Exam Format, and Syllabus Overview (07:30 – 09:30)

**Module 2:** Chemistry of Combustion (09:45 – 11:15)

**Module 3:** Heat Transfer and Fire Spread (11:30 – 01:00)

**Module 4:** Fire Gases, Smoke Behavior & Fire Development (02:00 – 03:30)

#### Day 2: Firefighting Media, PPE & Equipment

**Module 1:** Firefighting Extinguishing Agents and Applications (07:30 – 09:30)

**Module 2:** Fire Service Equipment & Vehicles (09:45 – 11:15)

**Module 3:** Personal Protective Equipment (PPE) Standards (11:30 – 01:00)

**Module 4:** Practical Case Review – Equipment on the Fireground (02:00 – 03:30)

#### Day 3: Operational Procedures and Incident Safety

**Module 1:** Fireground Operations and Water Supply (07:30 – 09:30)

**Module 2:** Safety, Health & Incident Risk Assessment (09:45 – 11:15)

**Module 3:** Teamwork, Communication, and Incident Command (11:30 – 01:00)

**Module 4:** Group Activity – Simulated Fireground Decisions (02:00 – 03:30)

#### Day 4: Legal Frameworks, Fire Prevention & Strategy

**Module 1:** Fire Legislation, Codes, and Standards (07:30 – 09:30)

**Module 2:** Fire Prevention and Fire Safety Strategies (09:45 – 11:15)

**Module 3:** Fire Risk Assessment & Documentation (11:30 – 01:00)

**Module 4:** Case Study – Fire Law in Action (02:00 – 03:30)

#### Day 5: Revision & Final Preparation

**Module 1:** Key Topic Recap and FAQs (07:30 – 09:30)

**Module 2:** Full Mock Exam – Timed IFE Simulation (09:45 – 11:15)

**Module 3:** Exam Debrief and Answer Review (11:30 – 01:00)

**Module 4:** Final Guidance, Registration Process & Course Wrap-Up (02:00 – 03:30)

## Certification

- Participants will receive a **Certificate of Completion** for the IFE Level 2 Fire Science, Operations & Safety Exam Preparation.
- Eligible candidates may register for the official IFE exam through the local or international testing body.

## Why Choose MAWA Events

- **Global Expertise:** More than 17 years of experience in professional training and consulting.
- **Industry-Leading Faculty:** Courses delivered by seasoned professionals with hands-on experience.
- **Practical Insights:** Learn to turn theory into actionable strategies for real-world business impact.
- **Client-Focused Solutions:** Customized programs designed to achieve your organisation's unique goals.

**In-House / Customized Training**
