► **Available delivery methods:** In-House Training

Introduction

This course provides a comprehensive understanding of corporate governance frameworks, principles, and global best practices. It explores the roles and responsibilities of boards, management, shareholders, and other stakeholders in ensuring ethical leadership and organizational transparency. Participants will learn how governance policies influence corporate strategy, performance, and sustainability, preparing them to contribute effectively to governance structures and decision-making processes.

Objectives

By the end of this course, participants will be able to:

- Understand the core principles and structure of corporate governance
- Identify the roles and duties of the board, management, and shareholders
- Analyze governance policies and their impact on corporate performance
- Apply global best practices in governance and ethics
- Strengthen accountability, transparency, and stakeholder trust

Why Attend

- Gain in-depth knowledge of governance models and frameworks
- Learn practical tools for board effectiveness and policy development
- Improve your understanding of compliance, ethics, and risk oversight
- Build credibility as a governance professional or board advisor
- Stay aligned with international governance trends and standards

Target Audience

- Board Members and Senior Executives
- Corporate Governance and Compliance Officers
- Company Secretaries and Legal Advisors
- Risk and Audit Professionals
- Policy Makers and Management Consultants

Individual Benefits

- Strengthened leadership and governance skills
- Enhanced ability to implement governance policies effectively
- Improved strategic decision-making and ethical judgment
- Greater professional recognition in governance and compliance

Organizational Benefits

- Improved transparency and accountability within management structures
- Stronger corporate reputation and stakeholder confidence
- Better risk management and compliance performance
- Sustainable value creation through effective governance frameworks

Instructional Methodology

- Instructor-led sessions and group discussions
- Case studies of real-world corporate governance failures and successes
- Practical exercises on policy design and evaluation
- Interactive workshops on board dynamics and ethics
- Continuous feedback and assessment through scenario-based learning

Course Outline

Module 1: Foundations of Corporate Governance

This module covers the evolution, principles, and frameworks of corporate governance, explaining its importance in maintaining trust and integrity in organizations.

Module 2: Roles and Responsibilities of the Board and Management

Participants will explore board structures, director duties, executive accountability, and the balance between governance and management.

Module 3: Governance Policies and Ethical Leadership

This module highlights the creation and implementation of governance policies, ethical standards, and integrity systems that promote responsible corporate behavior.

Module 4: Stakeholder Engagement and Transparency

Learners will study how to manage stakeholder relationships, ensure effective disclosure, and promote transparency in decision-making.

Module 5: Global Best Practices and Future Trends

The final module discusses international codes, governance challenges, and emerging trends such as ESG, sustainability, and digital governance.

Certification

Participants who successfully complete the course will receive a Certificate of Completion in Corporate Governance: Principles, Policies and Best Practices, recognizing their understanding of governance structures, ethics, and strategic accountability.

Why Choose MAWA Events
