Venue (InHouse)	Fees
At Your Organization Premises	Ask For The Quotation

► **Available delivery methods:** In-House Training

Introduction

This course provides a comprehensive understanding of health policy development, analysis, and implementation. It explores how policies shape healthcare delivery systems, influence public health outcomes, and support sustainable healthcare reforms. Participants will gain the skills to design, evaluate, and advocate for policies that improve healthcare access, equity, and quality.

Objectives

- Understand the foundations and frameworks of health policy.
- Analyze the relationship between health policy, systems, and governance.
- Learn how to design and implement effective health policies.
- Evaluate policy effectiveness using evidence-based approaches.
- Develop leadership and advocacy skills in healthcare policy-making.

Why Attend

To build strong expertise in health policy formulation and implementation, enabling you to make informed decisions and lead transformative healthcare initiatives.

Target Audience

- Health Policy Makers and Analysts
- Healthcare Administrators and Managers
- Public Health Professionals
- Medical Directors and Consultants
- Researchers and Academicians

Individual Benefits

- Deep understanding of health policy processes and frameworks.
- Strengthened analytical and strategic planning skills.
- Enhanced ability to influence healthcare reform and advocacy.

Organizational Benefits

- Better policy development and implementation capabilities.
- Improved organizational alignment with national health goals.
- Enhanced efficiency and accountability in healthcare systems.

Instructional Methodology

Lectures, policy case studies, interactive discussions, group projects, and scenario-based policy simulations.

Course Outline

- Module 1: Introduction to Health Policy and Systems
- Module 2: Policy Development Frameworks and Stakeholder Analysis
- Module 3: Health Economics and Financing in Policy
- Module 4: Policy Implementation and Evaluation Methods
- Module 5: Leadership and Advocacy in Health Policy
- Module 6: Global Health Policy Trends and Case Studies

Certification

Participants will receive a Certificate of Completion in Health Policy Training upon successfully completing the course.
