*“Master Programme Management Principles for Successful Project Delivery”*

## Schedule

Date	Venue	Duration	Fees (Online)
07 – 09 Apr 2026	Online	3 Days	USD 1000 per delegate
05 – 07 May 2026	Online	3 Days	USD 1000 per delegate

► **Available delivery methods:** Face-to-Face & Online Training

## Introduction

Programme management is essential for organizations to achieve strategic objectives by coordinating multiple related projects effectively. MSP® (Managing Successful Programmes) provides a structured framework for managing complex programmes while delivering business benefits.

This 3-day online training equips participants with foundational knowledge of MSP® 5th Edition, covering programme lifecycle, governance, roles, and techniques. Participants will learn how to align projects with organizational strategy, manage risks, and ensure delivery of intended benefits.

## Objectives

By the end of this course, participants will be able to:

- Understand the principles and framework of MSP® 5th Edition
- Apply MSP® concepts to manage programmes successfully
- Identify programme governance and stakeholder responsibilities
- Align projects with strategic objectives for maximum benefits
- Manage risks, issues, and interdependencies across projects
- Plan and monitor programme performance effectively
- Prepare for the MSP® Foundation certification exam

## Why Attend

- Gain knowledge of globally recognized MSP® methodology
- Improve coordination and delivery of complex programmes
- Enhance risk and benefits management across multiple projects
- Align programme objectives with organizational strategy
- Learn practical tools and techniques for programme governance
- Prepare for MSP® Foundation certification exam

## Target Audience

This program is designed for:

- Programme managers, project managers, and team leads
- Project support and PMO staff
- Senior managers and executives responsible for strategic initiatives
- Professionals seeking MSP® certification
- Individuals managing or supporting complex projects within programmes

## Individual Benefits

Key competencies that will be developed include:

- Understanding MSP® principles, themes, and processes
- Skills in programme governance and stakeholder engagement
- Ability to manage interdependencies and risks across projects
- Knowledge of benefits management and strategic alignment
- Improved decision-making for programme delivery
- Readiness for MSP® Foundation exam

## Organizational Benefits

Upon completing the training course, participants will demonstrate:

- Improved programme planning and governance
- Better alignment of projects with strategic objectives
- Effective risk, issue, and dependency management
- Enhanced delivery of intended benefits
- Stronger decision-making and accountability in programme management
- Increased efficiency and success rate of organizational programmes

## Instructional Methodology

The course follows an interactive online approach combining theory with practice:

- Strategy Briefings – Overview of MSP® framework, principles, themes, and processes
- Case Studies – Real-world examples of programme management success
- Workshops – Exercises in programme governance, risk management, and benefits planning
- Peer Exchange – Group discussions on challenges and best practices in programme management
- Tools – Templates and frameworks for programme planning, monitoring, and reporting

## Course Outline
