

PRAXIS FRAMEWORK FOUNDATION - APMG INTERNATIONAL, UK

"Master Project, Programme, and Portfolio Management with PRAXIS Framework"

Schedule

Date	Venue	Duration	Fees (Online)
07 - 09 Apr 2026	Online	3 Days	USD 1000 per delegate

► **Available delivery methods:** Face-to-Face & Online Training

Introduction

The PRAXIS Framework is a comprehensive methodology that integrates project, programme, and portfolio management with organizational governance and benefits management. It provides a practical approach to delivering projects and programmes successfully while ensuring alignment with strategic objectives.

This 3-day online training equips participants with foundational knowledge of the PRAXIS Framework, covering principles, processes, tools, and techniques. Participants will learn to plan, monitor, and control projects and programmes effectively, and understand how to apply the framework to improve project delivery and governance.

Objectives

By the end of this course, participants will be able to:

- Understand the PRAXIS Framework principles and methodology
- Apply integrated project, programme, and portfolio management concepts
- Define roles, responsibilities, and governance structures
- Plan, monitor, and control projects and programmes effectively
- Manage risks, issues, and dependencies across initiatives
- Ensure alignment of projects and programmes with organizational strategy
- Prepare for PRAXIS Foundation certification

Why Attend

- Learn a globally recognized framework for managing projects, programmes, and portfolios
- Improve governance and strategic alignment of initiatives
- Gain practical knowledge to enhance project and programme delivery
- Learn integrated techniques for risk, issue, and resource management
- Prepare effectively for PRAXIS Foundation certification exam
- Apply best practices in real-world scenarios for immediate impact

Target Audience

This program is designed for:

- Project managers, programme managers, and portfolio managers
- PMO staff and project support personnel
- Senior managers overseeing projects and programmes
- Professionals seeking PRAXIS Foundation certification
- Individuals responsible for project governance, risk management, or strategic initiatives

Individual Benefits

Key competencies that will be developed include:

- Understanding PRAXIS Framework principles, processes, and methodology
- Skills in project, programme, and portfolio management
- Improved governance, planning, and monitoring capabilities
- Ability to manage risks, issues, and interdependencies
- Knowledge to prepare for PRAXIS Foundation certification
- Enhanced decision-making for effective project delivery

Organizational Benefits

Upon completing the training course, participants will demonstrate:

- Improved governance and alignment of initiatives with organizational goals
- Better project and programme performance and delivery success
- Enhanced risk, issue, and dependency management
- Stronger integration of portfolio management with strategic objectives
- Increased efficiency and effectiveness across project and programme portfolios

Instructional Methodology

The course follows an interactive online approach combining theory with practice:

- Strategy Briefings – Overview of PRAXIS Framework principles, lifecycle, and governance
- Case Studies – Real-world examples of integrated project and programme management
- Workshops – Exercises on planning, monitoring, risk management, and resource allocation
- Peer Exchange – Group discussions on challenges and best practices
- Tools – Templates and frameworks for project, programme, and portfolio management
