

ANTI-CORRUPTION, COMPLIANCE, AND LEGAL GOVERNANCE PROGRAM (ACCL)

"Strengthen Corporate Governance and Combat Corruption"

Schedule

Date	Venue	Fees (Online)
05 - 06 May 2026	Online	USD 700 per delegate

► **Available delivery methods:** Face-to-Face & Online Training

Introduction

Effective governance, compliance, and anti-corruption measures are critical for organizational integrity, legal adherence, and sustainable growth. This intensive 2-day online program provides participants with the tools, knowledge, and strategies to implement robust compliance frameworks and ethical governance practices.

The course covers regulatory requirements, anti-corruption frameworks, corporate governance principles, risk assessment, and compliance strategies. Through interactive virtual sessions, case studies, and practical exercises, participants will gain actionable insights to strengthen organizational governance, mitigate corruption risks, and promote a culture of integrity.

Objectives

By the end of this course, participants will be able to:

- Understand global anti-corruption laws and compliance requirements
- Implement effective corporate governance frameworks
- Identify, assess, and mitigate corruption and compliance risks
- Develop policies, procedures, and controls for legal compliance
- Promote ethical practices and a culture of integrity
- Ensure organizational adherence to regulatory and legal standards

Why Attend

- Strengthen understanding of anti-corruption and compliance frameworks
- Learn practical governance strategies applicable to diverse organizations
- Reduce legal and reputational risks associated with corruption
- Enhance organizational accountability and transparency
- Build professional credibility in compliance and governance

Target Audience

This program is designed for:

- Compliance and legal officers
- Risk management professionals
- Corporate governance and audit teams
- Senior managers responsible for ethics and compliance
- Professionals involved in policy development and regulatory adherence

Individual Benefits

Key competencies that will be developed include:

- Knowledge of anti-corruption regulations and legal governance requirements
- Skills in compliance risk assessment and mitigation
- Competence in developing policies, procedures, and controls
- Ability to implement effective corporate governance practices
- Enhanced decision-making for ethical and legal compliance
- Practical understanding of reporting and monitoring mechanisms

Organizational Benefits

Upon completing the training course, participants will demonstrate:

- Reduced organizational exposure to corruption and compliance risks
- Improved governance, accountability, and transparency
- Effective implementation of compliance policies and controls
- Strengthened ethical culture and integrity across teams
- Enhanced adherence to legal and regulatory frameworks
- Increased stakeholder confidence and organizational credibility

Instructional Methodology

The course follows a blended virtual learning approach combining theory with practice:

- Strategy Briefings – Anti-corruption, compliance, and governance frameworks
- Case Studies – Real-world examples of corporate compliance and governance failures and successes
- Workshops – Virtual exercises on risk assessment, policy development, and ethical decision-making
- Peer Exchange – Group discussions on challenges and best practices in governance and compliance
- Tools – Templates, risk assessment guides, policy frameworks, and monitoring checklists
