

AUDITORS' GENERAL AWARENESS TRAINING (AGA)

"Strengthen Audit Awareness and Compliance Knowledge"

Schedule

Date	Venue	Fees (Online)
14 May 2026	Online	USD 450 per delegate

► **Available delivery methods:** Face-to-Face & Online Training

Introduction

Auditors play a critical role in ensuring organizational compliance, risk management, and internal control effectiveness. This intensive 1-day online training provides participants with a foundational understanding of auditing principles, practices, and organizational responsibilities.

The course covers the audit process, basic audit standards, regulatory compliance, and key considerations for internal and external audits. Through interactive virtual sessions and case studies, participants will gain awareness of audit objectives, techniques, and reporting practices, enhancing their overall effectiveness in auditing roles.

Objectives

By the end of this course, participants will be able to:

- Understand the fundamentals of auditing principles and practices
- Recognize the roles and responsibilities of auditors
- Apply general awareness concepts to audit processes
- Identify key compliance and regulatory requirements
- Support effective internal controls and governance
- Enhance reporting and communication during audits

Why Attend

- Gain foundational knowledge of auditing principles and standards
- Understand key compliance and governance requirements
- Improve organizational oversight and risk awareness
- Strengthen credibility and effectiveness in audit-related roles
- Learn practical applications of auditing concepts

Target Audience

This program is designed for:

- Internal and external auditors
- Compliance and risk management personnel
- Junior audit staff seeking foundational knowledge
- Professionals involved in regulatory and governance roles
- Anyone supporting audit processes within organizations

Individual Benefits

Key competencies that will be developed include:

- Knowledge of basic audit principles and processes
- Understanding of compliance and regulatory requirements
- Awareness of internal control frameworks
- Ability to support audit planning and execution
- Improved communication and reporting skills
- Enhanced professional capability in auditing awareness

Organizational Benefits

Upon completing the training course, participants will demonstrate:

- Improved compliance and governance oversight
- Support for effective audit execution and reporting
- Strengthened internal control processes
- Reduced risk exposure through better audit awareness
- Enhanced organizational transparency and accountability
- Increased confidence in audit readiness and compliance

Instructional Methodology

The course follows a blended virtual learning approach combining theory with practice:

- Strategy Briefings - Overview of auditing principles and general awareness concepts
- Case Studies - Examples of audit challenges and best practices
- Workshops - Virtual exercises on audit procedures and compliance scenarios
- Peer Exchange - Group discussions on audit awareness and lessons learned
- Tools - Checklists, templates, and audit support resources

Course Outline

Detailed 1-Day Course Outline

Training Hours: 7:30 AM – 3:30 PM Daily Format: 3-4 Learning Modules | Breaks included | Lunch Break: 01:00 – 02:00

Module 1: Introduction to Auditing (07:30 – 09:30)
