PRAXIS FRAMEWORK FOUNDATION + PRACTITIONER – APMG INTERNATIONAL, UK

"A Practical, Integrated Approach to Successful Project, Programme, and Portfolio Management"

Schedule

Date	Venue	Fees (Online)
14 – 18 Jun 2026	Online	USD 1500 per delegate

► **Available delivery methods:** Face-to-Face & Online Training

Introduction

The PRAXIS Framework® is a globally recognized, practical framework for effective project, programme, and portfolio management. Developed by APMG International (UK), PRAXIS integrates governance, management, and delivery into a single structured methodology, enabling organizations to deliver value consistently and sustainably.

This intensive 5-day Foundation and Practitioner course equips participants with both theoretical knowledge and applied skills required to manage projects using the PRAXIS Framework®. The course prepares participants to confidently apply PRAXIS principles in real-world environments, improving project outcomes and organizational performance.

Objectives

By the end of this course, participants will be able to:

- Understand the structure, principles, and components of the PRAXIS Framework®
- Apply PRAXIS governance, lifecycle, and delivery models
- Manage projects effectively using PRAXIS processes and documentation
- Align projects with organizational strategy and governance requirements
- Apply risk, change, quality, and stakeholder management practices
- Prepare for and pass PRAXIS Foundation and Practitioner examinations

Why Attend

- Gain internationally recognized PRAXIS Framework® certification
- Learn a practical and scalable project management framework
- Improve project governance and control
- Enhance decision-making and leadership skills
- Increase success rates of projects and programmes
- Advance your professional career in project management

Target Audience

This program is designed for:

- Project managers and aspiring project managers
- Programme and portfolio managers
- Project team leaders and coordinators
- PMO professionals and governance specialists
- Consultants involved in project delivery and assurance
- Professionals seeking PRAXIS Foundation and Practitioner certification

Individual Benefits

Key competencies that will be developed include:

- Strong understanding of PRAXIS project management methodology
- Ability to manage projects across the full lifecycle
- Enhanced governance and stakeholder engagement skills
- Improved risk, issue, and change control capabilities
- Practical application of tools and templates
- Increased confidence to manage complex projects

Organizational Benefits

Upon completing the training course, participants will demonstrate:

- Improved project governance and accountability
- Higher project success and delivery consistency
- Better alignment of projects with strategic objectives
- Reduced project risks and cost overruns
- Standardized project management practices across teams
- Enhanced organizational maturity in project management

Instructional Methodology

The course follows a blended learning approach combining theory with practice:

- Strategy Briefings – In-depth explanation of PRAXIS Framework®, principles, and governance model
- Case Studies – Practical examples demonstrating PRAXIS application in real projects
- Workshops – Hands-on exercises using PRAXIS processes, roles, and documentation
- Peer Exchange – Group discussions and experience sharing in virtual classrooms
- Tools – Access to PRAXIS templates, lifecycle models, and best-practice checklists
