

## PRINCE2® 7 FOUNDATION + PRACTITIONER - AXELOS / PEOPLECERT, UK

*"Master PRINCE2® 7 Project Management for Successful Delivery and Governance"*

### Schedule

Date	Venue	Fees (Online)
13 - 17 Sep 2026	Online	USD 1,500 per delegate

► **Available delivery methods:** Face-to-Face & Online Training

### Introduction

PRINCE2® 7 is a globally recognized project management methodology that provides a structured approach for managing projects effectively. This 5-day online course covers both Foundation and Practitioner levels, equipping participants with the skills to apply PRINCE2® 7 principles, themes, and processes in real-world projects. Participants will learn how to manage project risks, control stages, and deliver projects on time, within scope and budget.

Through interactive sessions, case studies, and practical exercises, attendees will gain hands-on experience in tailoring PRINCE2® 7 to their organizational needs. By the end of the program, participants will be able to lead projects successfully, ensure compliance with best practices, and enhance project delivery outcomes.

### Objectives

By the end of this course, participants will be able to:

- Understand PRINCE2® 7 methodology, principles, themes, and processes.
- Apply PRINCE2® 7 to manage projects efficiently from initiation to closure.
- Manage project risks, quality, and resources effectively.
- Tailor PRINCE2® 7 to different types of projects and organizational environments.
- Prepare for and achieve PRINCE2® 7 Foundation and Practitioner certification.

## Why Attend

- Gain internationally recognized knowledge and skills aligned with PRINCE2® 7 standards.
- Learn structured project management techniques for consistent project success.
- Improve risk management, resource allocation, and project control.
- Enhance your ability to deliver projects on time, within budget, and to quality standards.
- Network with professionals and discuss real-world project management challenges.

## Target Audience

This program is designed for:

- Project managers and team leaders
- Programme managers and PMO professionals
- Project coordinators and officers
- Professionals seeking PRINCE2® 7 Foundation and Practitioner certification
- Individuals responsible for project delivery, governance, and control

## Individual Benefits

Key competencies that will be developed include:

- Mastery of PRINCE2® 7 methodology, principles, and processes.
- Ability to plan, execute, monitor, and close projects effectively.
- Skills in risk, quality, and resource management.
- Capability to tailor PRINCE2® 7 methodology to different projects.
- Readiness to take the PRINCE2® 7 Foundation and Practitioner exams.

## Organizational Benefits

Upon completing the training course, participants will demonstrate:

- Improved project governance and delivery outcomes.
- Enhanced efficiency and consistency in project management practices.
- Better management of project risks, quality, and resources.
- Increased project success rates and stakeholder satisfaction.
- Stronger alignment of projects with organizational objectives.

## Instructional Methodology

The course follows a blended learning approach combining theory with practice:

- Strategy Briefings – Overview of PRINCE2® 7 methodology, principles, themes, and processes
- Case Studies – Analysis of real-world project scenarios and lessons learned
- Workshops – Hands-on exercises in project planning, risk management, and stage control
- Peer Exchange – Group discussions on challenges and best practices in PRINCE2® 7 implementation
- Tools – Templates for project documentation, planning, monitoring, and reporting
