PRINCE2 AGILE® FOUNDATION – AXELOS / PEOPLECERT, UK

"Integrating Agile flexibility with PRINCE2® governance for successful project delivery."

Schedule

Date	Venue	Fees
06 – 07 Oct 2026	Online	USD 700 per delegate

► **Available delivery methods:** Face-to-Face & Online Training

Introduction

In today's fast-paced business environment, project managers must balance structured governance with the flexibility to respond to change. PRINCE2 Agile® combines the globally recognized PRINCE2® project management methodology with Agile concepts, enabling organizations to manage projects effectively while delivering value quickly and efficiently.

This 2-day intensive online training provides participants with a practical understanding of the PRINCE2 Agile® framework. Through interactive exercises, case studies, and real-world examples, participants will learn how to integrate Agile practices into PRINCE2® projects, manage stakeholder expectations, and deliver projects successfully while maintaining governance and control.

Objectives

By the end of this course, participants will be able to:

- Understand the PRINCE2 Agile® framework and its principles.
- Apply PRINCE2® processes in an Agile context.
- Manage project governance while adopting Agile flexibility.
- Facilitate collaboration, iterative delivery, and stakeholder engagement.
- Prepare for the PRINCE2 Agile® Foundation certification examination.
